

Directions for use:

The alphabetizing cards can be used more than one way,

1. Print out a copy of the the blank alphabet templates. Tape them together to create one long strip.
2. Print out 2 copies each of the picture alphabet cards and the word/picture alphabet cards.
3. Cut one copy of each to create a set that the child can match to the blank template. The other copy is to be used as a control.
4. Shown below are 2 of the ways the alphabetizing cards can be used.
